

BEHAVIORAL HEALTH SERVICES

WHEN YOUR PROBLEMS ARE TOO TOUGH TO HANDLE ALONE...

Get the help you deserve

When everyday stress, work pressures, increased anxiety or other troubles become overwhelming, help is just a phone call away. Behavioral Health Services at Brookhaven Memorial Hospital Medical Center can offer a solution. Behavioral Health offers many programs including:

- Acute care inpatient treatment
- Outpatient mental health and substance abuse services
- Psychiatric Home Health Care

Our Behavioral Health Access Center, open 24 hours a day, 7 days a week can assist you in determining the best course of treatment, provide information on Behavioral Health issues and assist in identifying available community services. For more information please call our *Access Center* at:

631-687-HELP (4357)
